

## Links to trust formularies and information on High Cost Drugs

Please note links are provided to web sites (rather than the source documents) wherever possible in order to provide access to the most up to date information. All of these documents will be living documents and updated regularly by the owning organisation. If the link does not work please notify up [accg.eastkentprescribing@nhs.net](mailto:accg.eastkentprescribing@nhs.net) so this can be addressed.
